

Good Will Fire Company

Volunteer Live-in Program

This Program allows individuals to live in private dormitory style living quarters at the fire station in exchange for participation and providing service to our communities.

Convenient to West Chester University, Immaculata, and the Brandywine Campus of Penn State, this opportunity is ideal for college students who volunteer at home and would like to continue their firefighting experience.

Some of the Volunteer Live-In benefits will include:

- * Private, individual sleeping areas with mini refrigerator
- * Kitchen area and outdoor gas barbeque
- * Washer and Dryer
- * High speed wireless internet and printing capabilities
- * TV in multiple, spacious areas,
- * Physical Fitness room
- * Personal protective gear and training
